Funding and Institutional Open Access Agreements

Karger Publishers is committed to helping authors benefit from Open Access agreements and meet the requirements of the Open Access mandates of all funding bodies. Depending on the funders' and institutions' requirements, research may be published as an Open Access article (Gold Open Access) or archived in an Open Access repository such as PubMed Central (PMC) or an Institution's own repository (Green Open Access), or both.

A list of institutions with Open Access agreements covering part or all of Article Processing Charges (APCs) and a list of some funders with Open Access mandates can be found below.
